Club News

Several members of the club attending the Opening-up Working Party, Sunday 27th February. Work was done on the club house and the area where the cruisers had previously been stored was cleared of felled timber and readied for use as the main car parking area. The buoys were put out on the lake in anticipation of a return to racing. Two of the club Xenons were rigged and the Challenger dinghy assessed for rigging.

The cruiser parking area is to be used as the car park for this season.

Race Report & Results

Sunday 6th March saw a return to sailing with Icebreaker races 1 and 2. It was a lovely spring day, with a fairly steady force 3 occasionally gusting 4 east wind. Inevitably this meant it was quite shifty and as usual Llyn Brenig felt degrees colder than elsewhere! Andy Davey (supernova) and Ben Beachell (solo) did a short 2 lap first race on a simple triangular course utilising the full width of the lake for a beat (6), a broad reach/run (D) and a fetch back to the start (A). Andy caught Ben at 2 laps so took the win on handicap. Andrew Roberts (contender) rigged up for the second race, again run as a 50 minute pursuit on the same course. It didn't take Andrew long to catch the other two and comfortably take the win. With enough breeze Andrew could take advantage of the trapeze, but the wind shifts kept him on his toes! Ben held off Andy for the first 2 laps, but a better course choice by Andy on the 3rd beat saw him overtake and comfortably take 2nd place.

Icebreaker		1	2	3	4	5	6	7	8	total
Andy Davey	Supernova	1	2							3
Ben Beachell	Solo	2	3							5
Andrew Roberts	Contender		1							1
